

25 QUESTIONS TO ASK BEFORE HIRING A LANDSCAPER CHECKLIST

- How long have you been in business?
- Are you licensed and insured?
- Can you share references from past clients?
- What types of landscaping projects do you specialize in?
- Can I see photos of your previous work?
- Do you handle design and installation, or just installation?
- Do you offer free consultations or quotes?
- What's included in your estimate?
- How do you structure your payment schedule?
- Who will be supervising my project?
- What's your typical project timeline?
- How do you handle unexpected issues or design changes?
- Will my project require any permits?
- What's your warranty or guarantee on work?
- How do you ensure proper drainage?
- What materials do you recommend, and why?
- Do you handle maintenance after installation?
- How will you protect existing structures and plants?
- Do you provide a detailed written contract?
- Can you help with irrigation or lighting integration?
- How do you handle debris and cleanup?
- Do you offer design previews or 3D renderings?
- Can you recommend design ideas for my yard size?
- What's the average cost per square foot for projects like mine?
- What makes your company different from other landscapers?
